THROUGH: SUBJECT: Air Defense Headquarters, Military Region Northwest, Na San, North Vietnam REFERENCE: Requirement No. 35019-5 25X1D 1. In response to reference requirement, an analysis of photographic coverage of Na San, North Vietnam was accomplished on Mission 2. The filter center of the Air Defense Headquarters of Military Region Northwest is possibly located in the area immediately west of the SCR-270 early warning radar site (Area A). Adjacent to the SCR-270 radar is a van mounted yagi type antenna. The area contains 14 buildings, 5 cargo trucks and one, previously mentioned, van truck. A probable stickmast antenna is located immediately north of the SCR-270 radar. An occupied four gun light AAA site is just north of Area A and a two gun light AAA site is just east of the 4 gun site. 3. A possible communications facility (Area B) contains a probable stickmast antenna, a possible roof mounted parabolic antenna, 5 buildings and an adjacent occupied 4 gun light AAA site. 4. No evidence of a land line was observed. Assistant for Photographic Analysis, NPI Attachment: 1 annotated photograph Distribution:	ATTENTION: THROUGH: SUBJECT: Air Defense Headquarters, Military Region Northwest, Na San, North Vietnam REFERENCE: Requirement No. 35019-5 25X1D 1.
